NU STEPS TO CASH 2024 BREEDING CONTRACT

1. I hereby agree to breed my mare _____, Registration # _____ to the stallion, **Nu Steps To Cash**, standing at Blue Sky Veterinary Services during the 2024 breeding season, Feb 1st to July 1st, at the stallion fee of \$1,000 plus GST (**cheques made payable to Megan Williams, or e-transfer to mkw.horsevet@gmail.com**). A copy of the mare's registration papers indicating owner at time of breeding must accompany signed breeding contract. **NO MARE WILL BE BRED UNTIL MARE BREEDING CONTRACT IS SIGNED AND A COPY OF REGISTRATION PAPERS WITH CURRENT OWNER'S NAMED IS RECEIVED BY Blue Sky Veterinary Services.** Contracts not filled out completely are invalid.
2. I agree to pay Blue Sky Veterinary Services a semen collection and processing fee of \$300 plus GST. All breeding and collection fees shall be paid prior to the shipment of semen. The mare owner will pay for all applicable shipping fees.
3. Shipping is via Fed Ex Standard overnight. For FedEx, there are no shipments on Saturdays or Sundays.
4. Semen orders must be placed with Blue Sky Veterinary Services 24 hours prior to shipment with a right to cancel by 12 noon the day prior to shipment. If the order is canceled under 12 hours noticed, the collection will be considered the one collection included with the collection fee, and the mare owner will be charged accordingly.
5. In the event of insufficient semen on a particular breeding day, Blue Sky Veterinary Services will ship on a first ordered, first served basis.
6. Owners should expect to receive one to two doses of fresh semen (depending on availability), or 2- 8 straw breeding doses of frozen semen. Any unused frozen semen remains the property of the Stallion owner and must be returned to Blue Sky Veterinary Services at the mare owners' expense.
7. Stallion Owner has the right to refuse to breed any mare for any reason.
8. This breeding contract comes with a live foal guarantee to owner of the above-named mare. If the foal does not stand and suck, or dies within 24 hours, mare owner will be entitled to a free breeding the following year to the same mare (unless mutually agreed). This live foal guarantee only applies if the mare owner notifies the stallion owner within one (1) week from death; this notice must be accompanied by a statement from a licensed Veterinarian. Collection and shipping fees, as well as any veterinary expenses will be the responsibility of the mare owner. If the mare proves not to be in foal in the year bred, or loses her foal, as stated above, the stallion owner has the option to rebreed the same mare the following year. If mare is not rebred the following year or the mare owner fails to deliver her for breeding the following year, then this contract becomes null and void.
9. This contract provides for one Breeder's Certificate. Please notify Blue Sky Veterinary Services with the status (In foal/Open) of your mare at the end of the breeding season. Stallion breeding reports are prepared after the season.
10. If it should become necessary for Blue Sky Veterinary Services to retain the services of an attorney to enforce its rights under the terms of this contract, including, but not limited to the collection of any sums due, the owner will pay Blue Sky Veterinary Services all expenses and costs, including reasonable and necessary attorney's fees incurred by Blue Sky Veterinary Services in enforcing this contract.
